

# NEW PROVIDENCE SOCCER CLUB

Effective: June 2018

In 2017, New Jersey Youth Soccer (NJYS) required all travel (Select) soccer players to be registered within a new state-wide system. For 2018 many of the recreational leagues (Travel) are requiring all players be registered with NJYS as well.

New Providence Soccer Club began a transition to a new website that is integrated directly with NJYS last year, this new website will go live for the beginning of the 2018-2019 season.

Please follow the steps below to register both parents and players. Once the new website is complete the [npsoccerclub.org](http://npsoccerclub.org) URL will be redirected to this new and improved site. Besides the integration with NJYS, the new platform provides:

- New, modern interface
- Better scheduling capabilities
- Dedicated App
- Dedicated team sites

Please follow the instructions below to register within the new system. Players on Select teams for the 2017-18 season will already have accounts in the system.

Thank you-

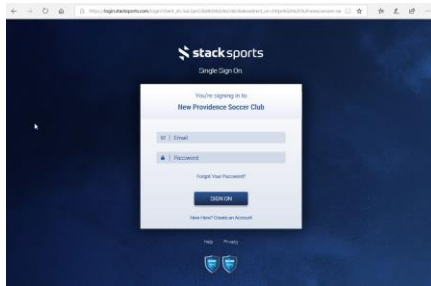

New Providence Soccer Club
